

Female Sunday School of C

This is designed as a permanent record of the success of the in
of scholars who have been 3 months or upwards in the school
book, and the number of their register marked in the last column
school without continuing 3 months is entered. This register will m
clasp to another being posted into it every quarter. A cross marks h
The school was opened February 1816 but no account ha
July 1816, the scholars who were admitted before July 1816 have
Don J. La Costa, Superintendent.

Christ Church.

institution, and should have entered in it only the names
of the receiving book. These are once in 3 months entered from the receiving
book of the receiving book, where also the dismissal of such as leave
mark the progress of the scholars by their removal from one
the class they were placed in on entering the school; a date the time of promotion.
having been kept of the time when scholars were admitted until
there is a blank in the 1st. column before their names.

110 Margaretta St.
Philadelphia Pa.
